7.5 Power if they shall consider the same to be expedient in the interests of the Beneficiaries or such of them as would be affected thereby to permit any company any of whose shares stock or securities are comprised in the Trust Fund to retain any part of its income and so that the Trustees shall not be bound to take any steps to remove any director of any such company who may recommend any such retention of its income and generally in the absence of actual notice of any wrongdoing by any director thereof the Trustees may leave the management of any such company wholly to its directors.

- 7.7 Power for any of the Trustees to be employed and remunerated as a director or other officer or employee or as agent or adviser of any company body or firm in any way connected with the Trust Fund and to keep as his property (and without being liable to account therefor) any remuneration fees or profits received by him in any such capacity notwithstanding that his situation or office may have been obtained or may be held or retained in right or by means or by reason of his position as one of the Trustees or of any shares, stock, property rights or powers whatever belonging to or connected with the Trust Fund.
- 7.8 Power for the Trustees at any time to borrow monies whether on an unsecured basis or on the security of the Trust Fund or any part thereof or on personal security only for any purpose for which trust monies may be applied under this Deed including the purpose of investment and on such terms as to the payment of interest (if any) and as to repayment as the Trustees shall in their absolute discretion think fit.

The Trustees shall determine the remuneration of any such person, but shall not be liable for the default of any such person appointed or employed in good faith, or for any loss arising from the Trustees acting in accordance with any advice provided by such person. However, this Clause 7.9 shall not entitle the Trustees to delegate the exercise of discretionary trusts and powers in relation to the Trust Fund which require or empower the determination of beneficial interests in the Trust.
- 7.10 Power to delegate all or any of the administrative, management functions and powers (including investment powers) vested in them (either under this Deed or due to their office as Trustees) to any other person(s), except for Beneficiaries or the Company representatives, and to pay such person(s) for their services. However, this paragraph does not entitle the Trustees to delegate the exercise of discretionary or powers in relation to the Trust Fund which require or empower the determination of beneficial interests in the Trust.
- 7.11 Power to apply the Trust Fund (or any part of it) in paying any stamp duty or stamp duty reserve tax payable on any transfer of (or agreement to transfer) shares to any Beneficiary.

- 7.12 Power to pay any duties or taxes (together with any related interest, penalties or surcharges) for which the Trustees become liable to pay and/or account for on behalf of the Trust in any part of the world, even if the liability might not be enforceable through the courts of the place where the trusts declared in this Deed are administered at that time and to have discretion as to the time and manner in which any duties or taxes are paid. No person interested in this Trust shall be entitled to make any claim against the Trustees because they pay any tax or duty.
- 7.13 Power for the Trustees to pay or apply the Trust Fund or any part thereof for the benefit of a minor or a person under any legal disability in which case they may do so by paying the Trust Fund or such part thereof to the parent or guardian or other person having care or custody of such minor or such person under a legal disability and will have no duty to enquire as to the use of the Trust Fund or such part thereof or its income.

- 8.1.1 any payment to be made by the Trustees, the Company may notify the Trustees in writing of the relevant amount of tax and/or social security contributions to be deducted from the payment and may direct the Trustees in writing to make such deduction and to account for it in accordance with any relevant regulation or enactment (whether or not such regulation or enactment applies to the Trustees); or

The benefit of this indemnity shall extend to former trustees as well as Trustees. For the avoidance of doubt, this indemnity does not remove the Trustees' right to indemnity against the Trust Fund if the Company is unable or unwilling to discharge these liabilities.
