

## Ozon Updates on Its Listing Status on the Moscow Exchange

October 26, 2023 – Ozon Holdings PLC (NASDAQ, MOEX, AIX: “OZON”, thereafter referred to as “we”, “us”, “our”, “Ozon” or the “Company”), announces that the prospectus in respect of the Company's American Depositary Shares (“**ADSs**”) has been registered in the Russian Federation. The registration of a prospectus should safeguard the trading of the ADSs on the Moscow Exchange (“**MOEX**”) in the long term. The Company's ADSs, each representing one ordinary share of Ozon Holdings PLC, will remain listed under the Level 1 Quotation List and continue trading on MOEX.

## **Disclaimer**

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 that reflect the current views of Ozon Holdings PLC (“we”, “our” or “us”, or the “Company”). All statements contained in this press release that do not relate to matters of historical fact disclosed in due course by the Company should be considered forward-looking statements.

These forward-looking statements are based on management’s current expectations. However, it is not possible for our management to predict all risks, nor can we assess the impact of all factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements we may make. These statements are neither promises nor guarantees but involve known and unknown risks, uncertainties and other important factors and circumstances that may cause Ozon’s actual results, performance or achievements to be materially different from its expectations expressed or implied by the forward-looking statements, including conditions in the U.S. capital markets, negative global or Russian political and economic conditions, potential negative developments in the COVID-19 pandemic, other negative developments in Ozon’s business or unfavorable legislative or regulatory developments. We caution you therefore against relying on these forward-looking statements, and we qualify all of our forward-looking statements by these cautionary statements. Please refer to our filings with the U.S. Securities and Exchange Commission concerning factors that could cause actual results to differ materially from those described in our forward-looking statements.

These and other important factors could cause actual results to differ materially from those indicated by the forward-looking statements made in this press release. Any such forward-looking statements represent management’s estimates as of the date of this press release. While Ozon may elect to update such forward-looking statements at some point in the future, Ozon disclaims any obligation to do so, even if subsequent events cause its views to change. These forward-looking statements should not be relied upon as representing Ozon’s views as of any date subsequent to the date of this press release.
