Ozon Raises Guidance for the Full-Year 2023

June 6, 2023 – Ozon Holdings PLC (NASDAQ and MOEX: “OZON”, thereafter referred to as “we”, “us”, “our”, “Ozon” or the “Company”), an operator of the leading Russian e-commerce platform, updates on the outlook for the full-year 2023.

The below forward-looking statements reflect Ozon’s expectations as of June 6, 2023, and could be subject to change, and involve inherent risks which we are not able to control, for example any global supply chain issues, as well as political and economic conditions in Russia.

Based on the current trends and outlook, Ozon raises its guidance for the full-year 2023 and now expects the Company’s GMV incl. services to increase by at least 70% year-on-year.

About Ozon

Ozon is a multi-category e-commerce platform operating in Russia, Belarus and Kazakhstan. Its country-wide fulfillment infrastructure and delivery network enables Ozon to provide its customers with fast and convenient delivery via couriers, pick-up points or parcel lockers. Its extensive logistics footprint and fast-developing marketplace platform allow entrepreneurs to sell their products across Russia’s 11 time zones and offer customers wide selections of goods across multiple product categories. Ozon actively seeks to expand its value-added services such as fintech and other new verticals such as Ozon fresh online grocery delivery. Disclaimer

These forward-looking statements are based on management's current expectations. However, it is not possible for our management to predict all risks, nor can we assess the impact of all factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements we may make. These statements are neither promises nor guarantees but involve known and unknown risks, uncertainties and other important factors and circumstances that may cause Ozon's actual results, performance or achievements to be materially different from its expectations expressed or implied by the forward-looking statements, including conditions in the U.S. capital markets, negative global economic conditions, potential negative developments in the COVID-19 pandemic, the geopolitical crisis surrounding Ukraine and sanctions and governmental measures imposed in response, other negative developments in Ozon's business or unfavorable legislative or regulatory developments. We caution you therefore against relying on these forward-looking statements, and we qualify all of our forward-looking statements by these cautionary statements. Please refer to our Annual Report on Form 20-F for the year ended December 31, 2022 and other filings with the SEC concerning factors that could cause actual results to differ materially from those described in our forward-looking statements.

These and other important factors could cause actual results to differ materially from those indicated by the forward-looking statements made in this press release. Any such forward-looking statements represent management's estimates as of the date of this press release. While Ozon may elect to update such forward-looking statements at some point in the future, Ozon disclaims any obligation to do so, even if subsequent events cause its views to change. These forward-looking statements should not be relied upon as representing Ozon's views as of any date subsequent to the date of this press release.
